

Download Bs.carousel

The Carousel Plugin. The Carousel plugin is a component for cycling through elements, like a carousel (slideshow). With captions. Add captions to your slides easily with the .carousel-caption element within any .carousel-item. They can be easily hidden on smaller viewports, as shown below, with optional display utilities. We hide them initially with .d-none and bring them back on medium-sized devices with .d-md-block. Adding a slider or carousel to showcase content on a website is a common client request for developers. The amount of free and premium carousel plugins available is overwhelming, and a good many ...JS Carousel (carousel.js) The Carousel plugin is a component for cycling through elements, like a carousel (slideshow). For a tutorial about Carousels, read our Bootstrap Carousel Tutorial.
