Join Date May 2004 Posts 8,442 Location Big Island, HI Tractor Kioti CK30HST, Case DX35Ford Tractor Parts. We offer a great selection of Ford tractor parts for your old, vintage, antique, or late model Ford farm tractor. Click on a category below to find the right parts or type your model or part number into the search bar above to get instant results. My 1910 does the same thing. There are three drain plugs for the manual transmission. Make sure you get the hidden one under the draw bar. I suggest changing the hydrolic oil on a warm day along with the filter. Below you will find our discounted Ford New Holland radiator catalog. If you're looking for other parts, you can search for a specific tractor part to save time, or browse through all of our Ford New Holland tractor parts on the Ford New Holland tractor parts page. If you are looking for used parts you can request information on this from our used tractor parts page.
