Dodge is an American brand of automobile manufactured by FCA US LLC (formerly known as Chrysler Group LLC), based in Auburn Hills, Michigan. Dodge vehicles currently include performance cars, though for much of its existence Dodge was Chrysler's mid-priced brand above Plymouth.. Founded as the Dodge Brothers Company machine shop by brothers Horace Elgin Dodge and John Francis Dodge in the early ...The Dodge Viper is a sports car manufactured by Dodge (SRT for 2013 and 2014), a division of American car manufacturer FCA US LLC from 1991 through 2017, having taken a brief hiatus from 2010–2013. Production of the two-seat sports car began at New Mack Assembly Plant in 1991 and moved to Conner Avenue Assembly Plant in October 1995.. Although Chrysler considered ending production because of ...A transmission solenoid is an electro-mechanical component "valve" used to control the flow of transmission fluid in the transmission. A typical automatic transmission uses a number of different solenoids for different purposes. One problem - the manual does not contain a map of the TIPM so looking for a specific fuse without having the TIPM cover is impossible. The power center (TIPM) is black plastic located off the rear corner of the battery, and if yours is like mine it is covered with grime and the cover is not that well marked as an aid to locating a particular fuse.
