Most grammar activities seek to teach grammar by stimulating learners to produce sentences containing the target structures. This article presents arguments in support of a comprehension-based approach to grammar teaching. It offers a model of secondDesign and planning resource for classroom teachers, instructional designers, and professors of education. The glossary lists, describes, and provides links for over 800 educational strategies, theories, and activities.

Learning Methods - Thinking Styles - Teaching Methods There are many different ways a person can learn something. Some learning methods work better than others. The bottom line is, you can learn anything you want, which means the possibilities are endless.
