

Download Natural Disasters Comprehension High School

In this lesson plan, students unjumble words to reveal four natural disasters before listening to information on hurricanes and floods. Comprehension questions focus on the what, why, where and when. A follow-up activity asks students to match vocabulary such as 'drown', 'evaporate', 'disrupt' and 'blow down' to their definitions. Lesson Plans for the four seasons. Seasons, Severe Weather, Natural & Man-made Disasters lesson plans, ideas, and activities, Teacher Resources, teaching resources ... Natural disasters : Natural disasters are natural events that cause the loss of lives and property. Sometimes hundreds and thousands are killed, and millions of dollars of property are destroyed. Based on DK's new book series, DKfindout!, this comprehension sheet is based around children writing their own newspaper article around the volcano eruption of Eyjafjallajokull in Iceland in 2010.
