The examples and perspective in this article may not include all significant viewpoints. Please improve the article or discuss the issue. (January 2018) (Learn how and when to remove this template message)JSTOR is a digital library of academic journals, books, and primary sources.Introduction. Feminist theories are a group of related theories that share several principles in common. First, feminist theories maintain that gender—the socially constructed expectations about the attitudes and behaviors of women and men that are typically referred to as femininity and masculinity, respectively—is a central organizing component of social life, including criminal ...History. The history of the fat acceptance movement can be dated back to 1967 when 500 people met in New York's Central Park to protest against anti-fat bias.Sociologist Charlotte Cooper has argued that the history of the fat activist movement is best understood in waves, similar to the feminist movement, with which she believes it is closely tied.. Cooper believes that fat activists have ...
